## County & Field Agreement Updates

- We are expecting to have our new lease sometime this week
- VPS contracts are in place for our practice fields with no issues

## Auction Planning Updates & Needs

- Auction donations are pouring in, but we still need more donations! We also have some request out that we are waiting to hear back on.
- We are still in need of volunteers for the auction. Jessica and Karen will come up with a task list to recruit volunteers for specific roles.
- Jessica and Karen created “team parent auction packets” to give out at the parent meeting this week. Team rosters will be added to the packets for “team parent” to collect and coordinate auction ticket sales and information for each player on the team. They will return this information to a board member no later than April 23<sup>rd</sup>.

## Field Workday Recap and Plans

- We had a great turnout at the last field workday for coaches
- Need to finish up some things to get the fields ready by first game day on 03/22
- Next field day will be Sunday 03/20 at 1pm. An invite will go out to the whole league to participate

## Uniform & Swag Update

- Uniforms are ordered. Due to supply chain issues, some teams had to change, some teams had to purchase their own hats but now everyone should be good to go with uniforms
- PAC/TBALL, hats with team logos were not available for all teams so to keep things uniform and fair, all younger divisions will wear solid hats to match their team color with the HD logo
- First round of “swag” orders closed 03/13, next round will run from 04/11-05/01

## Other Business

- Dave: Inquired about umpire signups, using “sign up genius” for AL/NL umpire volunteers, email Erin Hart if interested
- Erin: sponsorship is coming along, has heard from some sponsors, waiting to hear from others
- Casey: We are in need of new bag hooks in the PAC dugouts, Craig will get the hooks and longer screws, and we will replace them at the field work day on 03/20
- Coach/Alumni softball game to be held on same day as closing ceremonies on June 11, more details to come
- Family kickball/pizza night possibly 05/13, more details to come
